

AL hoop girls top NS

The Andrew Lewis sports teams will return from Thanksgiving break next Tuesday with basketball games against Read Mountain. The girls will be home and the boys are in Cloverdale to play the Stars.

Last week both teams played Northside on Thursday, with the girls winning on the road and the boys losing a close one at home.

Summer Bayne had 13 points as Lewis beat the Norsewomen, 37-22. Daisy Ann Dawyot had 11 points and nine rebounds for Lewis and Maddie Smith had seven points and eight boards. Zoe Robtison had six assists as Lewis remained undefeated.

"This game was really a battle from start to finish," said Lewis coach Nat Franklin. "Our girls played extremely tough and smart throughout. I was really proud of the girls' defensive effort and poise on offense"

The boys played at home and dropped a 47-27 game to Northside.

"We struggled to get going offensively and Northside capitalized on our mistakes," said coach Brandon Keith.

This week the boys and girls were scheduled to play Byrd and the boys also had a game at Lucy Addison, but results were too late for publication.
