_____ has my permission to walk to basketball practice at G. W. Carver Elementary school on specific dates given to the student athletes by the coaches, and in granting permission for this, I understand that I will not hold the school or its personnel liable in case of any accident not caused by the negligence of the school or its personnel. Should an accident occur, the school personnel are authorized to follow whatever procedure is necessary to secure medical treatment as needed. Coaches will be in charge and escort the players to practice. Parents are to pick up players at G.W. Carver after specific practices.
